Welcome to Montgomery Preparatory Academy. Our staff is pleased to have you here as a student and as a supportive parent. We will do our best to help you and make your experience here productive and successful.

This **Student-Parent Handbook** has pertinent information, rules and regulations. Therefore, it is important that **every** parent and student read and become familiar with its contents. This handbook is developed so we can have a safe and organized program and to create an understanding between students, parents and MPA.

The administration and staff appreciate your support. We hope that your child's school year will not only be educational, but enjoyable.

MPA Board of Trustees encourages students, staff, administration and parents to review this document and submit proposed modifications to the HOS's (Head of School) office no later than March 1st of each school year. The HOS will then compile all such recommendations and will provide for a review of the Student-Parent Handbook.

FOREWORD

This handbook was developed to answer many of the commonly asked questions that you and your parents may have during the course of a school year. Because the handbook also contains information about student rights and responsibilities, each student is responsible for knowing its contents. Please take time to become familiar with the following information and keep the handbook available for your and your parents' use. It can be a valuable reference during the school year and a means to avoid confusion and misunderstanding when questions arise. Should you have any questions that are not addressed in this handbook contact your Head of School (HOS).

This handbook supersedes all prior handbooks and other written or oral statements regarding any item in this handbook. This handbook should not be construed to accord any rights or privileges to students or families beyond those accorded by law. This handbook may be revised at any time, with or without notice.

MISSION OF MONTGOMERY PREPARATORY ACADEMY

At Montgomery Preparatory Academy, we are committed to empowering all students to become independent and life-long scholars and leaders, who are committed to creating an equitable and just society.

EQUAL EDUCATION OPPORTUNITY

It is the policy of this Academy to provide an equal education opportunity for all students.

Any person who believes that MPA or any staff person has discriminated against a student on the basis of race, color, creed, age, disability, religion, gender, ancestry, national origin, or other protected characteristics, or social or economic background, has the right to file a complaint. A formal complaint can be made in writing to MPA's Head of School.

The complaint will be investigated and a response, in writing, will be given to the concerned person within 30 days. Under no circumstances will MPA threaten or retaliate against anyone who raises or files a complaint.

TITLE IX COORDINATOR

MONTGOMERY PREPARATORY ACADEMY DOES NOT DISCRIMINATE ON THE BASIS OF SEX IN ITS EDUCATION PROGRAM OR ACTIVITIES, AND IS REQUIRED BY TITLE IX AND ITS REGULATIONS NOT TO DISCRIMINATE IN SUCH A MANNER. OUR TITLE IX COORDINATOR IS RESPONSIBLE FOR INVESTIGATING ANY COMPLAINT ALLEGING NONCOMPLIANCE WITH TITLE IX.

SCHOOL DAY

The school day is 7:45 a.m. to 3:00 p.m. Students can enter the building at 7:15am to receive breakfast.

TESTING AND COMPULSORY ATTENDANCE

Montgomery Preparatory Academy (MPA) is a community school established under Chapter 3314 of the Ohio Revised Code. MPA is a public school and students enrolled in and attending MPA are required to take achievement tests and other examinations prescribed by law. In addition, there may be other requirements for students at MPA that are prescribed by law. Students who have been excused from the compulsory

attendance law for the purpose of home education as defined in the Administrative Code shall no longer be excused for that purpose upon their enrollment in a community school. For more information about this matter contact the HOS or the Ohio Department of Education.

STUDENT RIGHTS AND RESPONSIBILITIES

The rules and procedures of MPA are designed to allow each student to obtain a safe, orderly, and appropriate education. Students are expected to follow teachers' directions and obey MPA rules. Disciplinary procedures are designed to ensure fairness before a student is removed from curricular activities because of his/her behavior. Students may be removed from extracurricular activities at the discretion of the HOS or of the person responsible for directing, supervising or coaching the activity.

Students in MPA's system have the responsibility to act in such a way as not to interfere with the rights of others to the same educational opportunity. By accepting the right to participate in MPA programs on or off Academy property, students shall accept the responsibility to conduct themselves according to the rules and regulations and provisions governing the operation of these programs. The ideal of any educational experience is for the students to become self-disciplined.

MPA's HOS is responsible for establishing and enforcing procedures necessary to ensure that student rights are preserved and that accompanying responsibilities are carried out. Students may forfeit certain rights when it can be demonstrated that they are not assuming or showing responsibility. There is a right of appeal by students who believe their rights have been violated. An appeal process for suspension and expulsion is outlined in the appropriate section of the guidelines. It should be noted that MPA's HOS must use discretionary judgment in taking disciplinary action.

Parents have the right to know how their child is succeeding in MPA and will be provided information on a regular basis and as needed, when concerns arise. Many times it will be the student's responsibility to deliver that information. If necessary, the mail or hand delivery may be used to ensure contact. Parents are encouraged to build a two-way link with their child's teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her educational goals.

The staff expects students to arrive at MPA prepared to learn. It is the student's responsibility to arrive on time and be prepared to participate in the educational program.

STUDENT WELL-BEING

Student safety is the responsibility of the staff. All staff members are familiar with emergency procedures such as fire and tornado drills and accident reporting procedures. Should a student be aware of any dangerous situations or accidents, s/he must notify any staff person immediately.

MPA requires that all students must have an emergency medical card completed, signed by a parent or guardian, and filed in MPA office. A student may be excluded from MPA until this requirement has been fulfilled.

Parents of students with specific health care needs MUST submit those needs, in writing and with proper documentation by a physician, to MPA office. MPA retains the discretion to reject requests for administration of medicine (See Use of Medication section). MPA will permit a student to possess and use an asthma inhaler upon compliance with MPA's medication policy.

Video cameras and other monitoring equipment may be in use at MPA to help assure the safety of students, staff and visitors.

SECTION I – GENERAL INFORMATION

ENROLLING IN MPA

Students that are new to MPA are required to enroll with their parent/guardian. To enroll your child, parents are required to bring the following:

- A Birth Certificate or other certification permitted by state law
- Proof of Residency
- Proof of Immunization
- Custody/Guardianship papers from the court, when appropriate
- Last Report Card, when appropriate
- Copy of most recent educational interventions (i.e. IEP, ETR, 504)

In some cases, a temporary enrollment may be permitted. If that is done, the parents will be told what records are needed to make the enrollment complete and the date by which such records must be provided.

Admission to MPA is open to any individual who, as of September 30, is entitled to attend MPA in the State of Ohio pursuant to Section 3313.64 or 3313.65 of the Ohio Revised Code in a school district in this state. Enrollment is open to residents of Ohio.

Admission to MPA's Early Kindergarten program is open to any individual who will turn five years of age by December 31 of the calendar year of enrollment. Applicants to the Early Kindergarten program must also be able to demonstrate a basic proficiency of age-appropriate academic and social skills that are expected of all Kindergarten enrollees.

There will be no discrimination in the admission of students to MPA on the basis of race, creed, color, handicapping condition, or sex. Upon the admission of any handicapped student, MPA will comply with all federal and state laws regarding the education of handicapped students. MPA will not limit admission to students on the basis of intellectual ability, measures of achievement or aptitude, or athletic ability. MPA will admit the number of students that does not exceed the capacity of MPA's programs, classes, grade levels, and facility. If the number of applicants exceeds the capacity restrictions of MPA, students shall be admitted by lottery from all those submitting applications, except preference shall be given to students attending MPA the previous year. Preference may be given to siblings of students attending this Academy the previous year.

SCHEDULING AND ASSIGNMENT

The HOS or designee will assign each student to the appropriate classroom and the program in which the student will participate. Any questions or concerns about assignment should be discussed with the HOS.

TRANSFER OUT OF MPA

If a student plans to transfer from MPA, the parent must notify MPA in writing. Transfer of educational records will be authorized only after the parent has completed the withdrawal form, returned all Academy materials, and paid any fees or fines that are due. Academy records may not be released if the transfer is not properly completed. Parents are encouraged to contact MPA Office for specific details.

IMMUNIZATION

Each student must have the immunizations required by law or have an authorized waiver. Waivers are issued consistent with state law, and may include parent or guardian objection to an immunization for good cause, including religious conviction, or upon certification by a physician that immunization against any disease is medical contraindicated. If a student does not have the necessary immunization or waiver, the HOS may remove the student from MPA and require compliance within fourteen days of enrollment. This requirement is for the safety of all students and in accordance with State Law. Any questions about immunization or waiver should be directed to MPA Office.

INJURY AND ILLNESS

All parents are required to supply Address, Telephone Number and Health Information for emergency procedures when a child is ill. This information helps MPA decide what to do when a child becomes sick or has an accident while in school. Parents are required to keep this information up to date, especially telephone numbers for home and work.

Enrollment-Emergency cards are provided at the beginning of each school year; the cards are sent home periodically to ensure all information is up to date. PARENTS ARE REQUIRED TO CONTACT MPA WHEN ANY OF THE INFORMATION ON THE EMERGENCY CARD CHANGES.

All injuries must be reported to a teacher, aide, or the office. If the injury is minor, the student will be treated and returned to class. If medical attention is required, the office will attempt to contact the parent. If the parent cannot be contacted, emergency numbers will be used.

A student who becomes ill during the school day should request permission from his/her teacher or aide to go to the nurse's office. The nurse will determine whether the student will remain in school. No student will be released from school without proper parental permission.

USE OF MEDICATIONS

MPA's policy allows medication to be administered by the HOS or his/her designee under the following conditions:

1. Parents must have a medication permission form completed to administer medication. DOCTOR'S INSTRUCTIONS INCLUDING STUDENT'S NAME AND ADDRESS, NAME OF MEDICATION, DOSAGE, DATE AND TIME OF ADMINISTRATION, POSSIBLE SIDE EFFECTS, ANY SPECIAL INSTRUCTIONS AND DOCTOR'S SIGNATURE ARE NEEDED TO COMPLETE THIS FORM. This form must be dated and signed by the student's parent/guardian. It will be the student's responsibility to report to the office at the proper time for medication.
2. New medical request forms must be submitted each school year and as necessary for changes in medication orders.
3. Medication must be in ORIGINAL CONTAINER and have affixed label including the Student's Name, Name of Medication, Dosage, Route of Medication, and Time of Administration.
4. It is REQUIRED that the medication and the signed permission forms BE BROUGHT TO CPPA BY THE PARENT/GUARDIAN.

5. Non-prescription medications, such as, Tylenol, cold remedies, etc. will be treated as prescription medication as in #1 above. Parents may, at their discretion, come to MPA and administer medication to their child. Cough Drops may be allowed with written parental permission at the discretion of the HOS.
6. Students are NOT permitted to keep medication of ANY KIND on their person, in their lunch boxes, or in their desks unless prior permission has been given as outlined in #7.
7. If the student is authorized by his/her physician and the written approval of the parent or guardian to carry an emergency medicine and self-medicate, all of the steps 1-3 will be required. The physician's written approval shall also include instructions that outline procedures that Academy personnel should follow in the event the medication does not produce the expected relief from the student's attack, and identification of any severe adverse reactions that may occur to the child using the medication and it should be reported to the physician, and any severe adverse reactions that may occur to another child, for whom the medication is not prescribed, should such a child receive a dose of the medication, and at least one emergency telephone number for contacting the physician in an emergency, and at least one emergency telephone number for contacting the parent or guardian in an emergency, and any other special instruction from the physician.
8. If a student shows unsafe or irresponsible behavior, the right to self-medicate may be revoked.

MPA retains the discretion to reject requests for administration of medicine.

CONTROL OF CASUAL-CONTACT COMMUNICABLE DISEASES AND PESTS

Because MPA has a high concentration of people, it is necessary to take specific measures when the health and/or safety of the group are at risk. MPA's professional staff has the authority to remove or isolate a student who has been ill, has an undiagnosed rash or has been exposed to a communicable disease or highly transient pest, such as lice.

Specific communicable diseases include: diphtheria, scarlet fever, corona virus, influenza, ringworm, strep infection, whooping cough, mumps, measles, rubella, pink eye, impetigo and other conditions indicated by Local and State Health Departments.

If a child contracts a Communicable Disease, MPA Office should be notified as to the nature of the illness and the student shall not return to MPA until a Physician gives him/her written permission to do so. This is a means of protecting all children.

Any removal will only be for the contagious period as specified in MPA's administrative guidelines.

CONTROL OF NONCASUAL-CONTACT COMMUNICABLE DISEASES

In the case of non-casual-contact communicable diseases, MPA still has the obligation to protect the safety of the staff and students. In these cases, the person in question will have his/her status reviewed by a panel of resource personnel, including the applicable Board of Health, to ensure that the rights of the person affected and those in contact with that person are respected. MPA will seek to keep students and members of staff in MPA unless there is definitive evidence to warrant exclusion.

Non-casual-contact communicable diseases include sexually transmitted diseases, AIDS (Acquired Immune Deficiency Syndrome), AIDS Related Complex, HIV (Human-immunodeficiency Virus), Hepatitis B, and other diseases that may be specified by state law, or applicable regulation.

Parents will be requested to give consent to have their child's blood checked for HIV, HBV, and other blood-borne pathogens when the child has bled at MPA and students or staff members have been exposed to the blood. Any testing is subject to laws protecting confidentiality.

HEAD LICE

MPA HAS A NO NIT POLICY.

Any child found to have head lice will be temporarily excluded from MPA learning environment until ALL NITS AND/OR LIVE LICE are removed from the child's head. The excluded child will be rechecked for head lice by MPA medical staff or designee prior to being allowed to return to class. As a precaution, the child will be rechecked within 10 days after returning to class for possible re-infestation.

AMERICANS WITH DISABILITIES ACT - SECTION 504

The American's with Disabilities Act (A.D.A.) requires MPA to ensure that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but also to all individuals.

Students with disabilities may be served within the regular education program with an accommodation plan developed by Academy staff. Parents, who believe their child may have a disability that substantially limits the child's ability to function properly in MPA, should contact the HOS.

MPA has adopted the Model Procedures for the Education of Children with Disabilities, and will serve its students with disabilities consistent with the model procedures.

HEARING AND VISION SCREENINGS

All Kindergarten students will receive a hearing screening prior to November. Students in grades K - 8 will receive a vision and hearing screening annually. Both assessments are conducted by a licensed physician or licensed healthcare professional, e.g. LPN, RN, CNP, ANP, or PA.

SPECIAL EDUCATION

MPA provides a special education program for students identified as having a disability defined by the Individuals with Disabilities Education Improvement Act (IDEIA).

A student can access special education services through the proper evaluation and placement procedure. Parent involvement in this procedure is required. More importantly, MPA wants the parent to be an active participant. To inquire about the procedure or programs, a parent should contact the HOS.

MPA has adopted the model procedures for the education of children with disabilities, and will serve its students with disabilities consistent with the model procedures.

STUDENT RECORDS

Confidential records contain educational and behavioral information that has restricted access based on the Family Educational Rights and Privacy Act (FERPA) and Ohio law. This information can only be released with the written consent of the parents, the adult student, or a surrogate, subject to limited exceptions.

Included in the confidential records may be test scores, psychological reports, behavior data, disciplinary actions and communications with the family and outside service providers. Confidential information that is in a student's record that originates from an outside professional or agency may be released to the parent only with permission of the originator. Such records shall be placed in a student's file only with knowledge of the parent. Parents may obtain such records from the originator and should maintain them in a home file. Parents may also provide MPA with copies of records made by non-Academy professional agencies or individuals.

Students and parents have the right to review all educational records generated by MPA, request amendment to these records, insert addendums to records, and obtain copies of such records. Copying costs may be charged to the requestor. If a review of records is desired, please contact the building HOS, in writing, stating the records desired. The records will be collected and an appointment will be made within forty-five (45) days of the request with the appropriate persons present to answer any questions there may be. **Academic records will be withheld if an outstanding account balance exists.**

STUDENT FEES, FINES, AND CHARGES

MPA charges specific fees. Such fees or charges are determined by the cost of materials, freight/handling fees, and add-on fees for loss or damage to MPA property. MPA and staff do not make a profit.

Students using MPA property and equipment, including textbooks, lockers, computers, technology, and desks, can be fined for excessive wear and abuse of the property and equipment. The fine will be assessed at replacement cost.

When allowable by law, MPA may withhold a student's grades and/or credit for failure to pay assessed fees for materials used in a course of instruction other than textbooks or electronic textbooks and for outstanding account balances.

STUDENT VALUABLES

Students are encouraged not to bring items of value to MPA. Items such as jewelry, expensive clothing, electronic equipment, and the like, are tempting targets for theft and extortion. MPA cannot be responsible for their safekeeping and will not be held liable for any loss or damage to personal valuables.

REVIEW OF INSTRUCTIONAL MATERIALS AND ACTIVITIES

Parents have the right to review any instructional materials being used in MPA. They also may observe instruction in any class, particularly those dealing with instruction in health and sex education. Any parent who wishes to review materials or observe instruction must contact the HOS prior to coming to MPA. Parents' rights to review teaching materials and instructional activities are subject to reasonable restrictions and limits.

CAFETERIA/STUDENT EATING AREA

MPA cafeteria/student eating area is available to all students whether lunch is received from the cafeteria/student eating area or brought from home. The cafeteria/student eating area is planned to be enjoyed, but not abused. In the cafeteria/student eating area and multipurpose room, the quality of student citizenship can be most clearly observed. Because of the number of students involved, basic rules of etiquette and courtesy are necessary. Students are expected to conduct themselves properly at all times. Failure to do so may result in revoking cafeteria/student eating area privileges.

CAFETERIA/STUDENT EATING AREA PROCEDURES:

- Students are expected to stay seated while eating lunch

- Students are expected to talk in reasonably quiet voices to their friends
- Students are not allowed to eat from other student's lunches
- Students may raise their hand to get help from supervisors or get permission to throw away trash
- Students are expected to leave the table and benches clean after eating
- Proper lunchroom manners are expected
- Carbonated/cafeinated beverages are not permitted

FIRE AND TORNADO DRILLS

MPA has a Multi-Hazard Plan in place and practices all necessary drills, such as, fire and tornado in compliance with State of Ohio regulations and laws.

MPA complies with all fire safety laws and will conduct monthly fire drills in accordance with State law. Tornado drills will be conducted during the tornado season using the procedures provided by the State. Specific instructions on how to proceed will be provided to students by their teachers who will be responsible for safe, prompt, and orderly evacuation of the building.

EMERGENCY CLOSINGS AND DELAYS

If MPA must be closed because of inclement weather, an announcement will be made on local radio/television stations listed specifically under **MONTGOMERY PREPARATORY ACADEMY**.

Parents and students are responsible for knowing about emergency closings. If transportation is provided to you by a district that calls a delay, operating hours for MPA will remain unchanged. MPA's day will begin at the regular time of 7:45 am. MPA will not delay the start of school for any reason.

There may be some emergency instances, which will require MPA to be closed early. IT IS EXTREMELY IMPORTANT THAT PARENTS DISCUSS WITH THEIR CHILD EMERGENCY PROCEDURES THAT THEY SHOULD FOLLOW IN THE EVENT CPPA IS CLOSED EARLY.

VISITORS

Visitors, particularly parents, are welcome at MPA. For the safety of students and staff, ALL visitors MUST report to the office to sign in and pick up a visitor's pass. Any visitor found in the building without signing in shall be reported to the HOS. All visitors are subject to the Visitor Policy adopted by the Board.

If a person wishes to confer with a member of the staff, he/she MUST call for an appointment prior to coming to MPA in order to prevent any inconvenience or interruption of the teaching and learning process. Any visitor, including a parent or guardian, failing to comply with MPA's visitor procedure or the direction of the HOS may have restrictions placed on visiting, up to, and including, prohibition from the premises. The HOS may utilize law enforcement officials in the enforcement of the visitor policy and the safety and security of MPA.

Students may not bring visitors to MPA without first obtaining permission from the HOS.

USE OF ACADEMY MEDIA

Books are among some of the most valuable assets of MPA. Books must be checked out and checked in appropriately. Students are held responsible for books checked out to them. Students not returning books will be charged for the book replacement.

USE OF ACADEMY EQUIPMENT AND FACILITIES

Students must receive the permission of the teacher before using any equipment or materials in the classroom and the permission of the HOS to use any other Academy equipment or facility. Students will be held responsible for the proper use and safe-keeping of any equipment or facility they are allowed to use.

Outside individuals or organizations may request a Building Use Form from MPA office.

LOST AND FOUND

A lost and found area is located in the building lobby. Students may check for lost items. Parents are invited to come and check for lost items. Lost items or valuables found in or around MPA should be turned in to the office. Parents are asked to mark each child's coats, sweaters, hats, boots, backpacks, and lunch boxes for identification. Unclaimed items will be given to charity at the end of each month.

STUDENT SALES

No student is permitted to sell any item or service in MPA without the approval of the HOS. Violation of this policy may lead to disciplinary action. For example, trading or selling of the following items is not allowed: toys, cell phones, dolls, trading cards and other spare time items. These items or others like them shall not be brought to MPA unless the teacher or HOS has given specific permission.

USE OF TELEPHONES & STUDENT CELL PHONES

Students are not permitted to make calls on the telephone unless the HOS or teacher gives permission.

STUDENTS WILL NOT BE CALLED FROM CLASS FOR TELEPHONE CALLS. Phone messages from parents to students may be given to the secretary, who will give the message to the student. It is extremely disruptive to have students called from class. No telephone calls will be forwarded to the classrooms. Students are not allowed to use cellphones during the school day. Cell phones will be taken from the student and returned at the end of the day. Continual violation of this policy will result in the students' cell phone being taken with the parent required to retrieve the cell phone.

ADVERTISING OUTSIDE ACTIVITIES

No announcements or posting of outside activities will be permitted without the approval of the HOS. A minimum of twenty-four (24) hours' notice is required to ensure that the HOS has the opportunity to review the announcement or posting.

ARRIVAL AND DISMISSAL

Academy students may arrive as early as 7:15am and are expected to be **in their classroom** promptly at 7:45 am each morning. During morning drop off or afternoon pickup, we ask that parents follow MPA procedures closely to protect all children. The entry hallway doors will be locked promptly at 7:45am as staff members have assigned duties that require their prompt attention. We respectfully request that a parent or adult accompany all students to the front office when dropping off at 7:45am or later. Students are considered tardy if they arrive after 7:45am. Breakfast is served between 7:15-7:40am. Dismissal begins at 3:00 pm and ends at 3:20 pm. All students must be picked up by 3:45pm each day unless they are enrolled in an afterschool program. We understand that unforeseen events may result in a late pickup, and we ask that you call the front office to notify staff of the late pickup. Continued late pickups may result in fees for emergency placement in the afterschool program. **PLEASE DO NOT USE CELL PHONES WHEN DROPPING OFF OR PICKING UP STUDENTS.**

EARLY DISMISSAL

No student will be allowed to leave MPA prior to dismissal time without a parent coming to MPA office to request the release of, and sign out, the child. No student will be released to a person other than a parent or legal guardian (or a named individual listed on the emergency card) without a permission note signed by a parent or legal guardian. Students may be picked up from the front office prior to MPA's 2:30 pm cut off time. For the safety of all students, doors will be locked at 2:30 pm and students will only be released via normal dismissal and pickup procedures at the regular dismissal time of 3:00 pm. MPA will not call students to the front office until the parent or guardian has arrived to sign said student out for the day. We will make every effort to a student ready and waiting within the classroom if a call is received just prior to pickup to make those arrangements.

ACADEMY PARTIES

Teachers may enlist the help of parents with the planning of parties and treats. Watch for information from your child's teacher. The date and time of the parties will be determined at the building level.

Birthday parties are left up to the discretion of the teacher. Please contact the teacher first before sending any treats to MPA. **IT IS MPA POLICY NOT TO PASS OUT BIRTHDAY INVITATIONS UNLESS THERE IS ONE FOR EACH MEMBER OF THE CLASS.** Celebratory items such as balloons, flowers, stuffed animals, etc. are prohibited as they cause distractions in the learning environment.

RECESS

Our policy is that K-5 children go out for recess. They should wear adequate clothing and dress for all types of weather. On days when the weather is extremely cold (determined by wind chill factor) or rainy, recess will be held inside. **STUDENTS WILL HAVE OUTDOOR RECESS UNLESS THE WIND CHILL IS 32 DEGREES OR LESS.**

If a student is well enough to come to MPA, he/she is expected to go out for recess. To stay inside the student must bring a note from the doctor. After an extended illness, if requested in writing by the parents, the student may be allowed to stay in for a day or more at the HOS's discretion.

Students are expected to stay in their assigned play area. Students may not bring items such as: baseballs (hardballs), Frisbees, skateboards, roller blades, scooters, or any toy, which may present a safety hazard. It is expected that students listen and follow all instructions given by the playground staff.

LEAVING MPA

Students may not leave MPA grounds without permission from office personnel. Before this can be granted, a written request from the parent must be presented. **STUDENTS MUST BE SIGNED OUT IN THE OFFICE BY PARENT/GUARDIAN BEFORE LEAVING THE BUILDING DURING CPPA DAY AND/OR AFTER SCHOOL.** Students leaving MPA without permission will be considered truant.

GUM

The chewing of gum will not be allowed during the school day. Students should not bring gum to MPA. **PLEASE DO NOT SEND GUM OR GUM PRODUCTS AS A BIRTHDAY OR PARTY TREAT.**

MONEY AND OTHER VALUABLES

If money is being sent to MPA, parents should:

- Place the money in an envelope
- Include a note inside, stating the reason for the money being sent

- Place the teacher's name and child's name on the outside of the envelope

We discourage parents from allowing children to bring large amounts of money to MPA.

Students are not allowed to bring valuable equipment such as CD/DVD players, computer games, remote controlled cars, or other electronic toys unless there is a special occasion, and prior permission granted from the teacher and parent. If such items are brought to MPA they will be confiscated and a parent will be required to pick the item(s) up.

STUDENT PICTURES

Families may purchase student pictures each year. Students will have their individual pictures taken early in the school year. Specific information about the procedure and purchase of pictures will be sent home prior to picture day. Specific times for pictures will be established.

PARENT INVOLVEMENT

MPA encourages volunteerism in the school. Volunteers are important to our educational program. When parents volunteer in MPA, they should be a positive role model for our students and follow all Academy rules. Volunteers may be required to complete a criminal background check and have it sent directly to MPA's HOS in accordance with applicable state laws. Volunteers are required to sign in and out at MPA office and obtain a visitor's pass each time they are volunteering in the building. To ensure the safety of all students and promote the best learning environment, access to all classrooms is restricted between the hours of 7:45 am and 3:00pm. Parents may contact their child's teacher to make arrangements to visit the classroom if needed. When allowable by law, viewing of facility cameras is available at any time throughout the day. All volunteers are subject to the Volunteer Policy adopted by the Board. A copy can be obtained from the HOS.

SECTION II – ACADEMICS

FIELD TRIPS

Field trips are academic activities that are held off MPA grounds. Buses will transfer students to and from field trips. There are also other trips that are part of MPA's co-curricular and extra-curricular programs. **No student may participate in any MPA-sponsored trip without written parental consent.**

Field trips are designed to extend curricular areas for our students. Parents may be asked to be a chaperone on a field trip. The role of a chaperone is to supervise students; therefore, **siblings are not allowed to accompany parents on any field trip.**

Students whose behavior represents safety concerns may be excluded from participation in a field trip.

GRADING PERIODS

Report cards are issued at the end of each ten-week grading period. At the end of the year report cards may be mailed home.

Progress reports are sent home to the parents of all students at the midpoint of each ten-week grading period.

- September 10, 2021
- November 19, 2021

- February 3, 2022
- April 14, 2022

They are used to inform parents of any problem or improvement of the students. Parent-Teacher Conferences are scheduled in the fall and spring. MPA calendar will list the exact dates. The classroom teacher will schedule conferences. Parents may arrange a conference with their child's teacher any time during MPA year by contacting MPA and arranging an appointment.

PROMOTION, PLACEMENT, AND RETENTION

Many factors are taken into consideration when a student is promoted to the next level or retained at their current grade level. Each child is treated as an individual case and will be given individual consideration. MPA does not endorse social promotion. The teachers are to confer with the HOS concerning all retentions.

Parents are to be notified of possible retention in writing, near the end or directly after the second ten-week grading period.

A final decision to retain a student will be made no later than one week before the MPA year ends, and parents will be notified in writing. Teachers will arrange conferences with the parent to explain the benefits of retention and the probable effect it will have on the student's educational growth. The HOS will be available to discuss the reasons for promotion or retention of any student. All promotions and retentions will be conducted in accordance with the Promotion and Retention Policy adopted by the Board. A copy of this policy can be obtained from the HOS.

HOMEWORK

The assignment of homework should be expected. Student grades will reflect the completion of all work, including outside assignments. It is the **student's** responsibility to complete and turn in homework assignments. Homework is part of the student's preparation for the standardized tests and graduation. School consequences will apply if homework is not completed.

COMPUTER TECHNOLOGY AND NETWORKS

Before any student may enhance his/her Academy career through participation in MPA's computer network, s/he and his/her parents must sign an agreement, which defines the conditions under which the student may participate. Failure to abide by all of the terms of the agreement may lead to termination of the student's computer account and possible disciplinary action consistent with the student code of conduct and referral to law enforcement authorities. MPA retains the right to review and monitor computer equipment and networks, and users of Academy computer equipment or networks should have no expectation of privacy.

The use of the Network is a privilege, which may be revoked by MPA at any time and for any reason. Appropriate reasons for revoking privileges include, but are not limited to, the altering of system software or the placing of unauthorized information, computer viruses or harmful programs on or through the computer system in either public or private files or messages. MPA reserves the right to remove files, limit or deny access, and refer the student for other disciplinary actions.

STUDENT ASSESSMENT

To measure student progress, students will be tested in accordance with State standards and Academy policy.

Ohio State Tests are administered once or twice per academic year. Dates are subject to change by the Ohio Department of Education. Parents will be informed two weeks prior to the State established testing dates.

Unless exempted, each student will be expected to pass the appropriate Ohio State Tests. Make-up dates are scheduled, but unnecessary absences should be avoided.

Additional group tests, such as, the iReady assessments, will be administered in the fall, winter, and spring to monitor progress and determine educational mastery level. These tests are used to help the staff determine instructional needs. Classroom tests will be used to assess student progress and assign grades. These are selected or prepared by teachers to assess how well the students have achieved specific objectives.

SECTION III – STUDENT CONDUCT

ATTENDANCE

Academy Attendance Policy

It is imperative that students be in attendance each school day in order not to miss a significant portion of their education. H.B. 410, the State of Ohio's attendance law, outlines very specific guidelines regarding excessive truancy and absences. Important learning results from active participation in the classroom and other MPA activities, which cannot be replaced by individual study. To review the specific guidelines of HB 410, you may access this information at <https://education.ohio.gov/getattachment/Topics/Chronic-Absenteeism/House-Bill-410-FAQ.pdf.aspx?lang=en-US>

MPA is also concerned about helping students develop a high quality work ethic, which will be a significant factor in their success with future employers. One of the most important work habits that employers look for in hiring and promoting a worker is his/her dependability in coming to work every day and on time. This is a habit MPA wants to help students develop as early as possible in their Academy careers.

TRUANCY

A "habitual truant" is a child of compulsory school age who is absent without legitimate excuse for five or more consecutive school days, seven or more school days in one school month, or twelve or more school days in a school year. A "chronic truant" is any child of compulsory school age who is absent without legitimate excuse for seven or more consecutive school days, ten or more school days in one school month, or fifteen or more school days in a school year.

Ohio law demands that any student who, without legitimate excuse, fails to participate in 105 consecutive hours of learning opportunities offered to the student by MPA shall be automatically withdrawn from MPA. MPA will provide the parent/guardian notice and an opportunity to respond prior to an automatic withdrawal.

Unexcused absence from MPA (truancy) is not acceptable. Students who are truant will receive no credit for Academy work that is missed. A student's designation as a habitual or chronic truant may result in a hearing before a judge in a court of law and/or a report to local authorities concerning lack of parental responsibility in providing proper care and supervision of a child.

MPA shall attempt to address student attendance problems through a variety of prevention and intervention strategies. These measures may include, but are not limited to, the following:

1. Taking disciplinary action against a student for truancy, in accordance with the student code of conduct;
2. Offering counseling to the family of a student with truancy problems;

3. Requiring the parent/guardian to contact MPA to discuss the student's absences;
4. Giving a student and his/her parent/guardian written warning about the possible legal consequences of truancy;
5. Requiring the student's parent/guardian to attend a parental education or training program to encourage parental involvement in compelling the student's attendance at MPA;
6. Initiating automatic withdrawal from MPA;
7. Filing a complaint against the student and his or her parent/guardian in the Montgomery County Common Pleas Court, Juvenile Branch.

MPA will endeavor to work cooperatively with the Montgomery County Court of Common Pleas, Juvenile Branch, and appropriate state and local agencies to deal with the issue of habitual and chronic truancy. MPA will assure:

1. The attendance policy will be issued annually to parents/guardians (parents/guardians are asked to acknowledge receipt of the policy in writing).
2. MPA will maintain a "flagging" system to identify absent students as potential habitual and chronic truants before they meet the mandatory timelines for classification as such. Parents/Guardians of these students are to be informed of the concern and consequence of such absenteeism.
3. MPA has appointed its HOS as the attendance officer for MPA. This person may be subpoenaed to Court to verify and testify should there be questions about attendance issues.
4. Letters of notification and warning will be sent via certified mail to the parents/guardians of each habitual and chronic truant.
5. The police may be notified when a child meets the habitual truant standard.
6. MPA will send notice to the superintendent of the public school district where the parent/guardian of the truant student resides.

Teachers are encouraged to consult with the HOS about a student's attendance problems and to suggest to students and their parents that more formal interventions may become necessary.

If an enrolled student is considered a chronic truant, and the enrolled student's parent/guardian fails to compel the student's attendance at MPA, MPA may file a complaint jointly against the student and the student's parent or guardian in the Montgomery County Court of Common Pleas, Juvenile Branch, in accordance with Ohio law.

EXCUSED ABSENCES

Students may be excused from MPA for one of the following reasons and will be provided an opportunity to make-up missed Academy work and/or tests:

- personal illness but not illness in the family unless the circumstances are approved by the HOS
- death in the immediate family
- bona-fide religious holiday
- professional appointments that cannot be scheduled at non-school times
- absences approved by the HOS for good cause

Students with a health condition that causes repeated absence are to provide MPA office with an explanation of the condition from a registered physician.

Parents must provide an explanation for their child's absence by no later than 8:00 a.m. on the day of the absence or send a note the following day. They are to call MPA office [and explain the reason for the absence]. If the absence can be foreseen (the "good cause" must be approved by the HOS), the parent should arrange to discuss the matter as many days as possible before the absence will occur so that arrangements can be made to assist the student in making up the missed school work.

Students who are excusably absent for more than ten (10) days in a grading period, regardless of the reasons, will be considered "frequently absent". If there is a pattern of frequent absence for "illness", the parents will be required to provide a statement from a physician describing the health condition that is causing the frequent illness and the treatment that is being provided to rectify the condition. Without such a statement, the student's permanent attendance record will indicate "frequent unexplained illness", a possible sign of poor work ethic and irresponsible behavior.

During the next grading period, a "frequently-absent" student will be placed on "attendance watch" to monitor whether or not the pattern continues.

SUSPENSION AND EXPULSION FROM CENTRAL POINT PREPARATORY ACADEMY

A suspended or expelled student should take self-responsibility for completing schoolwork missed due to suspension or expulsion. It is recommended that a student complete missed assignments during the suspension or expulsion and turn them in to the teacher upon his/her return to school. Assignments may be obtained from the teacher beginning with the first day of a suspension or expulsion. In accordance with the Board adopted Suspension, Expulsion, and Permanent Removal Policy, students may receive partial credit for work that is completed while suspended or expelled.

EXCUSABLE, NON-APPROVED ABSENCE

If a student is absent from MPA because of illness or vacation, the absence will not be considered truancy, and s/he may be given the opportunity to make up the schoolwork that is missed.

UNEXPECTED ABSENCES

Any student who is absent from MPA for all or any part of the day without a legitimate excuse may be considered truant and the student and his/her parents may be subject to the truancy laws of the State.

NOTIFICATION OF ABSENCE

If a student is going to be absent, the parents must contact MPA by 8:00 a.m. and provide an explanation. If prior contact is not possible, the parents should provide a written excuse as soon as possible. When no excuse is provided, the absence will be unexcused and the student will be considered truant. If the absence of a student appears to be questionable or excessive, MPA staff will try to help parents improve their child's attendance.

An excused absence allows the student to make up all possible work. It is the responsibility of the student to obtain missed assignments. It is possible that certain kinds of schoolwork such as labs or skill-practice sessions cannot be made up and, as a result, may negatively impact a student's grade.

The skipping of classes or any part of MPA day is considered an unexcused absence and no make-up of class work will be permitted. Disciplinary action will follow.

TARDINESS

A student who is not in his/her assigned location by the start of MPA day shall be considered tardy. Any student arriving late to MPA is to report to MPA office before proceeding to class. If a student misses any part of the instructional school day, his/her attendance is affected. A parent/guardian is required to sign in any tardy student in MPA office upon arrival.

VACATIONS DURING THE SCHOOL YEAR

Parents are encouraged **not** to take their child out of MPA for vacations. When a family vacation must be scheduled during the school year, the parents should discuss the matter with the HOS and the student's teacher(s) to make necessary arrangements. It may be possible for the student to receive certain assignments that are to be completed during the trip.

MAKE-UP OF TESTS AND OTHER MPA WORK FOR EXCUSED ABSENCES

Students who are excusably absent from MPA shall be given the opportunity to make-up work that has been missed. The student should contact the teacher as soon as possible to obtain assignments.

Students will be given the number of days of excused absence within which to make-up work.

If a student misses a teacher's test due to excused absence, s/he may make arrangements with the teacher to take the test. If s/he misses an Ohio Achievement Test or other standardized test, the student should consult with the teacher to arrange for taking the test within the testing window.

STUDENT ATTENDANCE AT MPA EVENTS

MPA encourages students to attend as many Academy events held after school as possible, without interfering with their schoolwork and home activities. Enthusiastic spectators help to build Academy spirit and encourage those students who are participating in the event.

However, in order to ensure that students attending events outside regular school hours as non-participants are properly safeguarded, it is required that a parent or adult chaperone must accompany students when they attend the event. MPA will not be able to supervise unaccompanied students nor will it be responsible for students who arrive without an adult chaperone.

MPA will continue to provide adequate supervision for all students who are participants in an Academy activity. Students must comply with the Code of Conduct at Academy events, regardless of the location. Student behavior may prohibit attendance at school events.

STUDENT RULES OF CONDUCT

A major component of the educational program at MPA is to prepare students to become responsible workers and citizens by learning how to conduct themselves properly and in accordance with established standards.

The Student Rules of Conduct apply at all times on Academy owned or controlled property, including buses or other Academy transportation vehicles owned, controlled, or utilized by District students, at Academy activities and functions, and when students are otherwise under the authority of Academy personnel. These Rules also apply to conduct by a student that occurs off of property owned or controlled by MPA but that is connected to activities or incidents that have occurred on property owned or controlled by MPA. Finally, these Rules also apply to misconduct by a student, regardless of where it occurs, that is directed at an Academy official or employee or the property of an Academy official or employee.

The HOS is deemed to have all the power and authority accorded a principal and a superintendent in a traditional public school. The Board of Trustees is deemed to have all of the power and authority accorded a board of education in a traditional public school district.

A copy of this policy shall be posted in a central location in MPA and made available to students upon request. No student shall be suspended, expelled, or removed except in accordance with this policy.

EXPECTED BEHAVIORS

Each student shall be expected to:

- A. Abide by national, state, and local laws as well as the rules of MPA;
- B. Respect the civil rights of others;
- C. Act courteously and respectfully to adults and fellow students;
- D. Be prompt to MPA and attentive in class;
- E. Complete assigned tasks on time and as directed;
- F. Help maintain an environment that is safe, friendly, and productive;

DRESS CODE

Students are required to follow MPA's dress code unless otherwise authorized by the teacher or Administration:

Second Offense: 1 day ASP

Third Offense: 2 days ASP

Fourth Offense: 3 days ASP

If you are having difficulty meeting this dress code, please contact the administration for assistance.

CARE OF PROPERTY

Students are responsible for the care of their own personal property. MPA will not be responsible for personal property. Valuables such as jewelry or irreplaceable items should not be brought to MPA. MPA may confiscate such items and return them to the student's parents.

Damage to or loss of Academy equipment and facilities wastes taxpayers' money and undermines MPA program. Therefore, if a student does damage to or loses Academy property, the student or his/her parents will be required to pay for the replacement or damage. If the damage or loss was intentional, the student will also be subject to discipline according to the Student Code of Conduct.

SEARCH AND SEIZURE

Search of a student and his/her possessions may be conducted at any time the student is under the jurisdiction of the Board of Trustees, if there is a reasonable suspicion that the student is in violation of law or Academy

rules. A search may also be conducted to protect the health and safety of others. All searches may be conducted with or without a student's consent.

Students may be provided desks, and other equipment in which to store materials. It should be clearly understood that this equipment is the property of MPA and may be searched at any time, *with or without* reasonable suspicion that a student has violated the law or Academy rules. Locks are to prevent theft, not to prevent searches. Any and all property of MPA, including lockers, may be subject to random or for-cause search.

Anything that is found in the course of a search that may be evidence of a violation of Academy rules or the law may be taken and held or turned over to the police. MPA reserves the right not to return items which have been confiscated. In the course of any search, students' privacy rights will be respected regarding any items that are not illegal or against Academy policy.

All computers located in classrooms, labs and offices of MPA are MPA's property and are to be used by students, where appropriate, solely for educational purposes. MPA retains the right to access and review all electronic, computer files, databases, and any other electronic transmissions contained in or used in conjunction with MPA's computer system, and electronic mail. Students should have no expectation that any information contained on such systems is confidential or private.

Review of such information may be done by MPA with or without the student's knowledge or permission. The use of passwords does not guarantee confidentiality, and MPA retains the right to access information in spite of a password. All passwords or security codes must be registered with the instructor. A student's refusal to permit such access may be grounds for disciplinary action.

STUDENT RIGHTS OF EXPRESSION

MPA recognizes the right of students to express themselves. With the right of expression comes the responsibility to do it appropriately. Students may distribute or display, at appropriate times, non-sponsored, noncommercial written material and petitions; buttons, badges, or other insignia; clothing, insignia, and banners; and audio and video materials. All items must meet the following Academy guidelines:

- A. A material cannot be displayed if it:
 - 1. is obscene to minors, libelous, indecent, or vulgar,
 - 2. advertises any product or service not permitted to minors by law,
 - 3. intends to be insulting or harassing,
 - 4. intends to incite fighting or presents a likelihood of disrupting the Academy or an Academy event.

- B. Materials may not be displayed or distributed during class periods, or during passing times between classes. Permission may be granted for display or distribution during lunch periods and after school in designated locations, as long as exits are not blocked and there is proper access and egress to the building.

Students who are unsure whether or not materials they wish to display meet Academy guidelines may present them to the HOS twenty-four (24) hours prior to display.

STUDENT CONCERNS, SUGGESTIONS, AND GRIEVANCES

MPA is here for the benefit of the students. The staff is here to assist each student in becoming a responsible adult. If a student has suggestions that could improve MPA, s/he should feel free to offer them. Written suggestions may be presented directly to the HOS or to the student government.

When concerns or grievances arise, the best way to resolve the issue is through communication. No student will be harassed by any staff member or need fear reprisal for the proper expression of a legitimate concern. As with suggestions, concerns, and grievances may be directed to the principal or to the student government.

A student may have the right to a hearing if the student believes s/he has been improperly denied participation in an Academy activity or has been subjected to an illegal rule or standard. A student may not petition to have a change in grade.

STUDENT CODE OF CONDUCT

The Board of Trustees has adopted the following Student Code of Conduct. The Code includes the types of misconduct that will subject a student to disciplinary action and the procedures for implementing disciplinary action. A copy of the full Board approved Code of Conduct Policy can be obtained from the HOS.

It is MPA staff's responsibility to provide a safe and orderly learning environment. History has shown that certain student actions are not compatible with a "safe" and "orderly" environment. Discipline is within the sound discretion of MPA's staff and administration.

The following provides examples of major areas that could result in disciplinary action. The absence of a behavior or any specific action from the list does not mean that such conduct does not violate the discipline code or cannot be disciplined.

EXPLANATION OF TERMS APPLYING TO THE STUDENT CODE OF CONDUCT

(Organized by Rule Number)

Each of the behaviors described below may subject the student to disciplinary action including suspension and/or expulsion from MPA and/or notification of law enforcement authorities.

1. Conduct Involving Drugs

MPA is a "Drug Free" zone within the boundaries of MPA safety zone established by State law as well as to any Academy activity and transportation. This means that any activity - sale, use, distribution, or use of drugs, alcohol, fake drugs, steroids, inhalants, or look-alike drugs is prohibited. If caught, the student could be suspended or expelled and law enforcement officials will be contacted. Sale also includes the possession or sale of over-the-counter or prescription medication to another student.

2. Use of Breath-Test Instruments

The HOS or assistant administrator or designee may arrange for a breath test for blood-alcohol to be conducted on a student whenever s/he has individualized reasonable suspicion to believe that a student has consumed an alcoholic beverage. Imposition of a breath test is at the discretion of MPA, and discipline may be imposed without a breath test upon other evidence of use of alcohol.

The student will be taken to a private administrative or instructional area on Academy property with at least one (1) other member of the teaching or administrative staff present as a witness to the test.

The purpose of the test is to determine whether or not the student has consumed an alcoholic beverage. The amount of consumption is not relevant, except where the student may need medical attention.

If the result indicates a violation of Academy rules as described in this handbook, the student will be disciplined in accordance with disciplinary procedures described in this handbook. If a student refuses to take the test, s/he will be advised that such denial will be considered an admission of alcohol use with the consequent discipline invoked. The student will then be given a second opportunity to take the test.

3. Use of tobacco

Smoking and other tobacco uses are a danger to a student's health and to the health of others. MPA prohibits the sale, distribution, use or possession of any form of tobacco during Academy time or at any Academy activity. This prohibition also applies when going to and from MPA and at Academy bus stops. Violations of this rule could result in suspension or expulsion.

4. Student disorder/demonstration

Students will not be denied their rights to freedom of expression, but the expression may not infringe on the rights of others. Disruption of any Academy activity will not be allowed. If a student (or students) feels there is need to organize some form of demonstration, s/he is encouraged to contact the HOS to discuss the proper way to plan such an activity. Students who disrupt MPA may be subject to suspension or expulsion.

5. Possession of a weapon

A weapon includes conventional objects like a firearm, guns, pellet guns, ammunition, knives, or club type instruments. It may also include any toy that is presented as a real weapon or reacted to as a real weapon. A "firearm" has the same meaning as provided in the "Gun-Free Schools Act of 1994," 108 Stat. 270, 20 USC 8001(a)2. A "knife" is any instrument that possesses a pointed or sharp-edged blade of metal or other rigid material and that is designed or can be used for cutting, slicing, or stabbing. This definition shall include, but is not limited to: straight razors, razor blades, utility knives, box cutters, ice picks, pocket knives, switch blades and hunting knives. Possession of a weapon may subject a student to suspension or expulsion. It makes no difference whether or not the weapon belongs to someone else, unless the student can provide convincing evidence that the weapon was placed in the student's possession without his/her knowledge. If it can be confirmed that a weapon was brought on Academy property by a student other than the one who possessed the weapon, that student shall also be subject to the same disciplinary action.

A student may be expelled from MPA, if she/he brings onto or has in his/her possession on Academy property or at an Academy-related activity any of the following:

- A. any explosive, incendiary, or poison gas including bombs, grenades, rockets, missiles, mines, or device that can be converted into such a destructive item
- B. a knife
- C. any firearm or similar objects that are intended to invoke bodily harm or fear of bodily harm (e.g. air gun, blow-gun, toy gun, etc.)

6. Use of an object as a weapon

Any object that is used to threaten, harm, or harass another may be considered a weapon. This includes but is not limited to padlocks, pens, pencils, laser pointers, jewelry and so on. This violation may subject a student to suspension or expulsion.

7. Knowledge of Dangerous Weapons or Threats of Violence

Because the Board believes that students, staff members, and visitors are entitled to function in a safe Academy environment, students are required to report knowledge of dangerous weapons or threats of violence to the HOS. Failure to report such knowledge may subject the student to discipline.

8. Purposely setting a fire or attempting to set fire

Anything, such as fire, that endangers Academy property and its occupants will not be tolerated. Arson will subject the student to suspension or expulsion.

9. Physically assaulting a staff member/student/person associated with MPA

Physical assault at MPA against an Academy employee, student, volunteer, or contractor, or another, which may or may not cause injury may result in charges being filed and subject the student to suspension or expulsion. Physical assault is defined as “causing or attempting to cause physical harm to another.”

10. Verbally threatening a staff member/student/person associated with CPPA

Verbal assault at MPA against an Academy employee, volunteer, or contractor or making bomb threats or similar threats directed at an Academy building, property, or an Academy-related activity will be considered verbal assault. Verbal threats or assault may result in suspension and expulsion. Verbal assault is a communicated intent to inflict physical or other harm on another person, with a present intent and ability to act on the threat.

11. Extortion

Extortion is the use of threat, intimidation, force, or deception to take, or receive something from someone else. Violations of this rule will result in disciplinary action up to and including suspension or expulsion.

12. Gambling

Gambling includes casual betting, betting pools, organized-sports betting, and any other form of wagering. Students who bet on an activity in which they are involved may also be banned from that activity. Violations of this rule could result in suspension or expulsion.

13. Falsification of schoolwork, identification, forgery

Forgery of hall passes and excuses as well as false I.D.'s are forms of lying and are not acceptable. Plagiarism and cheating are also forms of falsification and subject the student to academic penalties as well as disciplinary action. Violations of this rule could result in suspension or expulsion.

14. False alarms, false reports, and bomb threats

A false emergency alarm, report or bomb threat endangers the safety forces that are responding, the citizens of the community, and persons in the building. Violations of this rule could result in suspension or expulsion. The HOS may expel a student from MPA for a period of up to one year for making a bomb threat to an Academy building or to any premises at which an Academy activity is occurring at the time of the threat. An expulsion shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place.

15. Explosives

Explosives, fireworks, and chemical-reaction objects such as smoke bombs, pipe bombs, bottle bombs, small firecrackers, and poppers are forbidden and dangerous. Violations of this rule could result in suspension or expulsion.

16. Trespassing

Although schools are public facilities, the law does allow MPA to restrict access on Academy property. If a student has been removed, suspended, or expelled, the student is not allowed on Academy property without authorization of the HOS. In addition, students may not trespass onto Academy property at unauthorized times or into areas of MPA determined to be inappropriate. Violations of this rule could result in suspension or expulsion.

17. Theft

When a student is caught stealing Academy or someone's property, s/he will be disciplined and may be reported to law enforcement officials. Students are encouraged not to bring anything of value to MPA that is not needed for learning without prior authorization from the HOS or teacher. MPA is not responsible for personal property. Theft may result in suspension or expulsion.

18. Disobedience

Academy staff act "in loco parentis," which means they are allowed, by law, to direct a student, as would a parent. This applies to all staff, not just teachers assigned to a student. If given a reasonable direction by a staff member, the student is expected to comply. Disobedience can result in suspension or expulsion.

19. Damaging property

Vandalism and disregard for Academy property will not be tolerated. Violations could result in suspension or expulsion, and repayment to MPA of the costs of repair or replacement of the damaged property.

20. Persistent absence or tardiness

Attendance laws require students to be in school all day or have a legitimate excuse. It is also important to establish consistent attendance habits in order to succeed in school and in the world-of-work. Excessive absence could lead to suspension or expulsion from school.

21. Unauthorized use of Academy or private property

Students are expected to obtain permission to use any Academy property or any private property located on Academy premises. Any unauthorized use shall be subject to disciplinary action. This includes use of the Internet and communication networks in a manner not sanctioned by policy and administrative guideline. Violations of this rule could result in suspension or expulsion.

22. Refusing to accept discipline

MPA may use informal discipline to prevent the student from being removed from school. When a student refuses to accept the usual discipline for an infraction, the refusal can result in a sterner action such as suspension or expulsion.

23. Aiding or abetting violation of Academy rules

If a student assists another student in violating any Academy rule, they will be disciplined and may be subject to suspension or expulsion. Students are expected to resist peer pressure and exercise sound decision-making regarding their behavior.

24. Displays of affection

Students demonstrating affection between each other are personal and not meant for public display. This includes touching, hugging, kissing, petting, or any other contact that may be considered sexual in nature. Such behavior may result in suspension from MPA or possibly expulsion.

25. Possession of electronic equipment

Most electronic equipment necessary in MPA is supplied by MPA. Students are not allowed to bring radios, portable TV's, electronic toys, cellular telephones, tablets, computers, laser pens, and the like without the permission of HOS. The property will be confiscated and disciplinary action will be taken. Violations of this rule could result in suspension or expulsion.

26. Violation of individual Academy/classroom rules

Each learning environment has different rules for students. Individual rules are for the safe and orderly operation of that environment. Students will be oriented to specific rules, all of which will be consistent with the policy of MPA. While every attempt will be made to teach/re-teach appropriate behavior, persistent violations of rules could result in suspension or expulsion.

27. Disruption of the educational process

Any actions or manner of dress that interferes with Academy activities, disrupts the educational process and/or are considered unsafe are unacceptable. Such disruptions also include delay or prevention of lessons, assemblies, field trips, athletic, and performing arts events. Unsafe behaviors such as throwing, pushing, slamming or kicking school supplies (not limited to books, writing tools, electronic equipment and/or media, lab equipment, etc.) classroom furniture (chairs, desks, tables, bookshelves, etc.) or anything else that can cause harm or not to the student, or any other person in the classroom, hallways, or anywhere else inside or outside school grounds, could result in suspension or expulsion.

28. Harassment/Bullying/Cyberbullying/Hazing

The Ohio Legislature defines bullying *as an intentional written, verbal, or physical act that a student has exhibited toward another particular student more than once and the behavior both: (1) causes mental or physical harm to the other student, and (2) is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.*

HARASSMENT POLICY

Harassment of students is prohibited, and will not be tolerated. This includes inappropriate conduct by other students as well as any other person in MPA environment, including employees, Board members, parents, guests, contractors, vendors and volunteers. It is the policy of MPA to provide a safe and nurturing educational environment for all of its students. This policy applies to all activities on Academy property and to all Academy sponsored activities whether on or off Academy property.

Harassment is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical or emotional well-being. This would include harassment based on characteristics, such as sex, race, color, national origin, religion, height, weight, marital status or disability. This policy, however, is not limited to these categories and includes any harassment that would negatively impact students. This would include such activities as stalking, bullying, name-calling, taunting, hazing and other disruptive behaviors.

Any student that believes s/he has been/or is the victim of harassment should immediately report the situation to any available staff member.

Every student should, and every staff member **must** report any situation that they believe to be improper harassment of a student. Reports may be made to those identified above.

If the investigation finds harassment occurred, it will result in prompt and appropriate remedial action. This may include up to expulsion for students, up to discharge for employee, exclusion for parents, guests, volunteers and contractors, and removal from any officer position and/or a request to resign for Board members. Retaliation against any person for complaining about harassment, or participating in a harassment investigation, is prohibited. Suspected retaliation should be reported in the same manner as harassment. Intentionally false harassment reports, made to get someone in trouble, are also prohibited. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

The following definitions are provided for guidance only. If a student or other individual believes there has been harassment, regardless of whether it fits a particular definition, s/he should report it and allow the administration to determine the appropriate course of action.

Suspensions and expulsions may carry over into the next school year. Removal for less than one (1) school day without the possibility of suspension or expulsion may not be appealed. Suspension and expulsion can be appealed.

DISCIPLINE OF STUDENTS WITH DISABILITIES

Students with disabilities are entitled to the rights and procedures afforded by the Individuals with Disabilities Education Improvement Act (I.D.E.I.A.) and the Americans with Disabilities Act (A.D.A.), or Section 504 of the Rehabilitation Act of 1973.

PROCEDURES FOR SUSPENSION, EXPULSION, AND EMERGENCY REMOVAL

A. Suspension

Suspension is defined as the denial to a student for a period of at least one (1) but no more than ten (10) school days.

After alleged misconduct becomes known to Academy administrators, the student shall be given written notice of the intention to suspend and the reasons for such action by the HOS or assistant administrator. The student will be given an opportunity to appear at an informal hearing before the HOS or assistant administrator, or designee, to challenge the reasons for the possible suspension or to otherwise explain his/her actions.

Within one school day after the time of a student's suspension, the HOS or assistant administrator, or designee shall send written notice of the suspension to the student and his/her parent, guardian, or custodian and the Treasurer of the Board of Trustees. The notice shall specify the duration of the suspension and the reasons therefore. It also shall include notification of the right of the student or his/her parent, guardian or custodian to appeal the suspension to the Board of Trustees or its designee the HOS, within fourteen (14) calendar days of the first date of suspension, to be represented in the appeal proceeding, and to request that such hearing be held in executive session if conducted by the Board of Trustees.

This procedure shall not and need not be followed in cases where a student is removed from one or more curricular for a period of less than twenty-four (24) hours and is not subject to suspension, or in cases where a student is removed from any extracurricular activities.

B. Expulsion

Expulsion is defined as the denial to the student, for a period of more than ten (10) MPA days but less than eighty (80) Academy days (except for circumstances identified below), of permission to attend MPA and to take part in any Academy function.

Prior to any expulsion, the HOS shall give the student and his/her parent, guardian or custodian written notice of the possibility of expulsion and shall provide the student and his/her parent, guardian or custodian with an opportunity to appear in person before the HOS or designee and challenge the reasons for the possible expulsion or otherwise explain the student's actions.

The notice shall include the reasons for the possible expulsion, notification of the right of the student, guardian, custodian or their representative to appear before the HOS or designee to hear and to challenge the reasons for the possible expulsion or otherwise to explain the student's actions, and notification of the time and place to appear. The time to appear shall not be earlier than three (3) nor later than five (5) days after the notice is given unless the HOS grants an extension of time at the request of the student, or his/her parent, guardian, custodian or representative. Such extensions shall not exceed five (5) days. If an extension of time is granted, the HOS or designee shall notify the student and his/her parent, guardian, custodian or representative of the new time and place to appear.

Within one school day after the time of any expulsion, the HOS shall send written notice to the student and his/her parent, guardian or custodian and the Treasurer of the Board of Trustees. The notice shall specify the duration of the expulsion and the reasons therefore. It also shall include notification of the right of the student or his/her parent, guardian or custodian to appeal the expulsion to the Board of Trustees or to its designee within fourteen (14) days of the expulsion, to be represented in the appeal proceeding, to be granted a hearing before the Board or its designee in order to be heard against the expulsion, and to request that such hearing be held in executive session if conducted by the Board.

The HOS shall initiate expulsion proceedings pursuant to R.C. 3313.66 with respect to any student who has committed an act warranting expulsion under MPA's policy regarding expulsion even if the student has withdrawn from Academy for any reason after the incident that gives rise to the hearing but prior to the hearing or decision to impose the expulsion. If, following the hearing, the student would have been expelled for a period of time had the student still been enrolled in MPA, the expulsion shall be imposed for the same length of time as on a student who has not withdrawn from MPA.

Suspensions and expulsions may be carried over into the following school year. When students are expelled for more than twenty (20) school days or for any period of time that extends into the next school year, the HOS shall give the expelled student(s) the names, addresses and telephone numbers of public and private agencies that work toward improving student attitudes and behavior.

The HOS is authorized to expel a student from MPA for a period not to exceed one year for committing an act that is a criminal offense when committed by an adult and that results in serious physical harm to persons as defined in Division (A)(5) of Section 2901.01 of the Revised Code or serious physical harm to property as defined in Division (A)(6) of Section 2901.01 of the Revised Code while the student is at MPA, on any other property owned or controlled by the Board, or at an interscholastic competition, an extracurricular event, or any other Academy program or activity not located either in an Academy or property owned or controlled by the Board. Any expulsion under this division shall extend, as necessary, into the school year in which the incident that gives rise to the expulsion takes place. The expulsion period may be reduced on a case-by-case basis for such reasons as the age and mental capacity of the student, the student's prior disciplinary record, the degree of remorse shown, and any other fact deemed mitigating by the HOS under the particular circumstances.

Whenever a student is suspended or expelled for possession or use of drugs or a firearm, knife, or other weapon, the HOS shall notify the Judge of the Juvenile Court. Such notification is to be given within two (2) weeks after the suspension or expulsion in a manner that complies with the provisions of R.C. 3321.13(B)(3).

C. Emergency Removals

Emergency Removal is defined as the denial to a student whose presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within a classroom or elsewhere on MPA premises, for a period not exceeding seventy-two (72) hours, of permission to attend MPA and to take part in any Academy function.

When circumstances are such that a student's continuing presence in MPA pending completion of the procedures set forth in subparagraphs A or B is reasonably certain to pose a continuing danger to persons or property or an ongoing threat or disrupting the academic process taking place either within the classroom or elsewhere, on MPA premises or at Academy sponsored or related activities or events, the HOS or assistant administrator, or designee, may remove a student from curricular or extracurricular activities or from MPA premises, without complying with the notice and hearing requirements of subparagraphs A or B. In like circumstances, a teacher may remove a student from curricular or extracurricular activities under his/her supervision, without complying with the notice and hearing requirements of subparagraphs A or B. As soon as practicable after making such removal, the teacher shall submit reasons, in writing, for such removal to the HOS.

If a student is removed under this subparagraph, written notice of the reason(s) for the removal and written notice of the hearing to be held regarding the removal shall be given to the student as soon as practicable prior to the hearing. The hearing must be held within seventy-two (72) hours from the time the initial removal is ordered.

The hearing shall be held in accordance with the procedure set forth in subparagraph A above, pertaining to suspensions, unless it is probable that the student may be subject to expulsion. In that event, the hearings shall be held in accordance with the procedure set forth in subparagraph B above, except that the hearing shall

be held within seventy-two (72) hours of the initial removal. MPA official who ordered, caused or requested the student's removal under this provision shall be present at the hearing, unless unable to attend.

This procedure shall not and need not be followed in cases when a student is removed from one or more curricular or extracurricular activities for a period of less than twenty-four (24) hours and is not subject to suspension or expulsion.

D. Disciplinary Removals

Disciplinary Removal is an action less severe than suspension, expulsion or emergency removal and is defined as the removal of the student from a class or other curricular for less than twenty-four (24) hours.

1. A student may be removed from a class or other curricular activity where the student engages in conduct which tends to interfere with or disrupt the class or curricular activity or for a violation of code or Academy rules and regulations.
2. When a student is removed from a curricular activity for more than twenty-four (24) hours, the student shall be given notice of the removal and the reasons for the removal. The student will be given an opportunity to appear before the HOS or assistant administrator, or designee, to hear the reasons for the removal and to explain his/her actions.

E. Other Matters

1. The student and his/her parent, guardian, or custodian may be requested to come to MPA for a conference with the HOS or assistant administrator, or designee. This conference shall normally be held no later than the date the student is scheduled to return to MPA from a suspension or expulsion.
2. Personnel employed by MPA to direct, supervise, or coach a pupil activity program may prohibit a student from participating in that program for up to five school days for violation of Academy rules, violation of program standards, or other cause deemed sufficient by MPA. The HOS or assistant administrator, or designee, may suspend a student from any particular or all extracurricular activities of MPA for any extended period of time.

All suspensions, expulsions, and removals shall be conducted in accordance with the Board approved Suspension, Expulsion, and Permanent Removal Policy. A copy of the complete policy can be obtained from the HOS.
